Editorial

Launching Issue - 4, Volume - 4 (January - February 2015) of eIJPPR

Anjali Pawar
Editor in Chief, eIJPPR

Dear All,

Its great pleasure to inform you that the **January - February 2015 issue (Volume-4, Issue-4)** of “**International Journal of Pharmaceutical and Phytopharmacological Research (eIJPPR)**” is released successfully. Current issue is available online at www.eijppr.com as well as in Printed form (Hard Copy). eIJPPR is a rapid processing peer reviewed bimonthly open access journal indexed with worldwide scientific databases. eIJPPR is indexed in **EMBASE (Elsevier), Chemical Abstract Services (CAS), EBSCO (USA), Hinary (WHO, Geneva., Science Central, Index Copernicus, Directory of Open Access Journal (DOAJ), Pharmaceutical Science Open Access Resources (PSOAR), Ulrich’s International Periodical Directory (USA), Open J-Gate, Get Cited, New Jour, AYUSH Research Portal and Google Scholar.**

This Journal publishes original research work that contributes significantly to further the scientific knowledge in area of **Pharmaceutics, Novel Drug Delivery, Pharmaceutical Technology, Biopharmaceutics, Pharmacokinetics, Nanotechnology, Pharmacognosy, Phytochemistry, Natural Product Research, Pharmaceutical/Medicinal Chemistry, Computational Chemistry and Molecular Drug Design, Pharmacology and Toxicology, Pharmaceutical Analysis, Quality Control, Quality Assurance, Drug Regulatory Affair, Pharmacy Practice, Clinical and Hospital Pharmacy, Pharmacogenomics, Bioinformatics, Pharmaceutical Biotechnology and Microbiology.** The basic objective of this journal is to encourage pharmacists and related professionals for research and innovation and also to support every effort to empower pharmacy education and research.

eIJPPR also publishes research work / papers related to Ayurvedic / Herbal medicines and all other forms of Alternative medicines. The Journal publishes original research work either as a Full Research Paper or as a Short Communication / Case study. Review Articles on a current topic in the said fields are also considered for publication by the Journal.

It will be my pleasure to thank all the members of the editorial team, reviewers and author for their cooperation and support extended in bringing this issue of the journal possible. It is an appeal to all readers of eIJPPR to forward suggestions, critics to improve the quality of the journal. I would also like to request all the research scholars and the subscriber of this journal to co-operate with the journal by providing the value-based research articles.

Thanks.

With warm regards,

Mrs. Anjali Pawar,
Editor in Chief,
International Journal of Pharmaceutical
and Phytopharmacological Research (eIJPPR),
