International Journal of Pharmaceutical and Phytopharmacological Research (eIJPPR): Volume-2, Issue-1 (July-August 2012)

It's immense pleasure and proud for me to inform you that the **July-August 2012** issue (**Volume-2**) of "*International Journal of Pharmaceutical and Phytopharmacological Research (eIJPPR)*" is launched successfully and is available online at www.eijppr.com as well as in Printed form (Hard Copy).

eIJPPR is a rapid processing peer reviewed bimonthly open access journal indexed with *Google Scholar, Chemical Abstract Services (CAS), EBSCO(USA), Hinary (WHO, Geneva., Science Central, Index Copernicus, Directory of Open Access Journal(DOAJ), Pharmaceutical Science Open Access Resources (PSOAR), Ulrich's International Periodical Directory (USA), Open J-Gate, Get Cited and New Jour.* Ayurveda and other allied sciences research articles of our journal will now also available at *AYUSH Research Portal.*

This Journal publishes original research work that contributes significantly to further the scientific knowledge in area of Pharmaceutics, Novel Drug Delivery, Pharmaceutical Technology, Biopharmaceutics, **Pharmacokinetics, Nanotechnology, Pharmacognosy, Phytochemistry, Natural Product Research, Pharmaceutical/Medicinal Chemistry, Computational Chemistry and Molecular Drug Design, Pharmacology and Toxicology, Pharmaceutical Analysis, Quality Control, Quality Assurance, Drug Regulatory Affair, Pharmacy Practice, Clinical and Hospital Pharmacy, Pharmacogenomics, Bioinformatics, Pharmaceutical Biotechnology & Microbiology.**

eIJPPR also publishes research work / papers related to Ayurvedic / Herbal medicines & all other forms of Alternative medicines. The Journal publishes original research work either as a Full Research Paper or as a Short Communication / Case study. Review Articles on a current topic in the said fields are also considered for publication by the Journal.

I must laud the efforts of our esteemed editorial team members and reviewers who have devoted their precious time in critical review of the manuscripts submitted to journal. Without their support we would not have been able to publish quality papers in the eIJPPR.

I close this piece with renewed solicitation to pharmaceutical and related professionals, researchers, scientists and scholars to contribute quality research and review articles on topics of current interest and provide an opportunity to eIJPPR to disseminate their ideas and innovations to the scientific community across the globe.

Thanks.

With warm regards,

Mrs. Anjali Pawar,
Editor in Chief,
