(Editorial)

**International Journal of Pharmaceutical and Phytopharmacological Research (eIJPPR): Volume-2,
Issue-4 (January-February 2013)**

It is great pleasure to introduce the **January-February 2013 issue (Issue-4, Volume-2)** of “*International Journal of Pharmaceutical and Phytopharmacological Research (eIJPPR)*”. All the issues of eIJPPR published till date are available online at www.eijppr.com as well as in Printed form (Hard Copy).

eIJPPR is a rapid processing peer reviewed bimonthly open access journal indexed with *Google Scholar, Chemical Abstract Services (CAS), EBSCO(USA), Hinary (WHO, Geneva., Science Central, Index Copernicus, Directory of Open Access Journal(DOAJ), Pharmaceutical Science Open Access Resources (PSOAR), Ulrich’s International Periodical Directory (USA), Open J-Gate, Get Cited and New Jour.* Ayurveda and other allied sciences research articles of our journal will now also available at *AYUSH Research Portal.*

This Journal publishes original research work that contributes significantly to further the scientific knowledge in area of **Pharmaceutics, Novel Drug Delivery, Pharmaceutical Technology, Biopharmaceutics, Pharmacokinetics, Nanotechnology, Pharmacognosy, Phytochemistry, Natural Product Research, Pharmaceutical/Medicinal Chemistry, Computational Chemistry and Molecular Drug Design, Pharmacology and Toxicology, Pharmaceutical Analysis, Quality Control, Quality Assurance, Drug Regulatory Affair, Pharmacy Practice, Clinical and Hospital Pharmacy, Pharmacogenomics, Bioinformatics, Pharmaceutical Biotechnology and Microbiology.**

eIJPPR also publishes research work / papers related to Ayurvedic / Herbal medicines and all other forms of Alternative medicines. The Journal publishes original research work either as a Full Research Paper or as a Short Communication / Case study. Review Articles on a current topic in the said fields are also considered for publication by the Journal.

It is an appeal to all readers of eIJPPR to forward suggestions, critics to improve the quality of the journal. Again, I would like to request all the research scholars and the subscriber of this journal to co-operate with the journal by providing the value-based research articles. I make certain that the renowned research scientists and academicians both from the industry and academic institution all over the world will be enriched by sharing their research experiences through eIJPPR.

I would also like to take this opportunity to thank the members of the Editorial Board for their dedicated service to the journal and for all their cooperation and enthusiastic involvement in this blooming endeavour.

Thanks.

With warm regards,

Mrs. Anjali Pawar,
Editor in Chief,
International Journal of Pharmaceutical
and Phytopharmacological Research (eIJPPR),
