**International Journal of Pharmaceutical and Phytopharmacological Research (eIJPPR): Volume-2,
Issue-2 (September-October 2012)**

First of all I would like to wish all the members, authors, readers of eIJPPR and their families a very **HAPPY DIWALI**. Its immense pleasure and proud for me to inform you that the **September-October 2012** issue (**Volume-2**) of “*International Journal of Pharmaceutical and Phytopharmacological Research (eIJPPR)*” is launched successfully. All the issues of eIJPPR published till date are available online at www.eijppr.com as well as in Printed form (Hard Copy).

The key objective of this journal is to motivate pharmacists and related professionals for research and innovation and also to support every effort to empower pharmacy education and research. eIJPPR is a rapid processing peer reviewed bimonthly open access journal indexed with *Google Scholar*, *Chemical Abstract Services (CAS)*, *EBSCO(USA)*, *Hinary (WHO, Geneva., Science Central, Index Copernicus, Directory of Open Access Journal(DOAJ), Pharmaceutical Science Open Access Resources (PSOAR), Ulrich’s International Periodical Directory (USA), Open J-Gate, Get Cited and New Jour.* Ayurveda and other allied sciences research articles of our journal will now also available at *AYUSH Research Portal*.

This Journal publishes original research work that contributes significantly to further the scientific knowledge in area of **Pharmaceutics, Novel Drug Delivery, Pharmaceutical Technology, Biopharmaceutics, Pharmacokinetics, Nanotechnology, Pharmacognosy, Phytochemistry, Natural Product Research, Pharmaceutical/Medicinal Chemistry, Computational Chemistry and Molecular Drug Design, Pharmacology and Toxicology, Pharmaceutical Analysis, Quality Control, Quality Assurance, Drug Regulatory Affair, Pharmacy Practice, Clinical and Hospital Pharmacy, Pharmacogenomics, Bioinformatics, Pharmaceutical Biotechnology and Microbiology.**

eIJPPR also publishes research work / papers related to Ayurvedic / Herbal medicines and all other forms of Alternative medicines. The Journal publishes original research work either as a Full Research Paper or as a Short Communication / Case study. Review Articles on a current topic in the said fields are also considered for publication by the Journal.

The journal is growing in stature with every issue with critical acclaims and encouraging reviews. The previous issues have set the tone and tenor for the present and forthcoming issues. It will be my great pleasure to thank all the members of the editorial team, reviewers and author for their co-operation and support extended in bringing this issue of the journal possible.

Thanks.

With warm regards,

Mrs. Anjali Pawar,
Editor in Chief,
International Journal of Pharmaceutical
and Phytopharmacological Research (eIJPPR),
