Launching Issue-3, Volume-3 (November - December 2013) of eIJPPR

Anjali Pawar
Editor in Chief, eIJPPR

Dear All,

First of all I would like to wish all the members, authors, readers of eIJPPR and their families “A VERY HAPPY AND PROSPEROUS 2014”. Its immense pleasure and proud for me to inform you that the November-December 2013 issue (Volume-3) of “International Journal of Pharmaceutical and Phytopharmacological Research (eIJPPR)” is launched successfully. All the issues of eIJPPR published till date are available online at www.eijppr.com as well as in Printed form (Hard Copy).

eIJPPR is indexed with worldwide scientific databases such as EMBASE (Elsevier), Chemical Abstract Services (CAS), EBSCO(USA), Hinary (WHO, Geneva., Science Central, Index Copernicus, Directory of Open Access Journal(DOAJ), Pharmaceutical Science Open Access Resources (PSOAR), Ulrich’s International Periodical Directory (USA), Open J-Gate, Get Cited, New Jour, AYUSH Research Portal and Google Scholar.

During last three years, a good number of research papers have been published in the great interest of scientific community, aimed for promoting good scientific environment in the field of medical and pharmaceutical sciences. I must congratulate all the members associated with this journal for their hard work in shaping the journal into a well-recognized publication, and this definitely deserves commendation. On the other hand, it also reminds me about our sense of responsibility towards achieving more international recognition, especially in term of being indexed in international indexing system such as PubMed Central, Scopus, Thomson Reuters, etc.

I am hopeful that with the endless efforts and continuous support from researchers, we shall be able to strive hard in bringing novel scientific research work to our readers. It is also an appeal to all readers of eIJPPR to forward suggestions, critics to improve the quality of the journal.

Thanks.

With regards,

Mrs. Anjali Pawar,
Editor in Chief,
International Journal of Pharmaceutical
and Phytopharmacological Research (eIJPPR),
